## *NEW* Canon RF Lenses!

We have just added some new Canon lenses in the Beau Photo Rental Department pool this past month!  Due to customer requests, the lenses we added are smaller, lighter and more affordable than the professional 'L' series lenses. Even though the lenses are not the 'L' series lenses, they are all optically excellent, and have image stabilization (except the 50mm f1.8). One other main difference (with the exception of the 35mm f1.8 & 85mm f2) is these lenses do not have control rings like the lenses with the red rings.

**The new lenses are:**

- RF 35mm f1.8 Macro IS STM - $30/Day or Weekend
- RF 50mm f1.8 STM - $15/Day or Weekend
- RF 85mm f2 Macro IS STM - $35/Day or Weekend
- RF 16-28mm f2.8 IS STM - $35/Day or Weekend
- RF 28-70mm f2.8 IS STM - $35/Day or Weekend

*Rent any of these lenses on Black Friday and get 20% off your rental!*
