NEW FOLIOS HAVE ARRIVED AT BEAU PHOTO!

After a long (and sometimes agonizing) search, we have awarded TAP the privilege of supplying us with their "Customview" line of folios.

These folios are slightly different from our previous ones, in fact we believe they're better!

- They are lined with black, not gold (making blank mats unnecessary).
- The mats are designed to make installation of both photos and mats easier.
- The mat selection is broader. (Yes! They DO make a 2-5x7 for 8x10 mat!!)
