## RENTAL COUPON PROMO

**For every camera body or lens you buy from us during our Black Friday event, you will get a rental coupon as a bonus.\* This rental coupon can be used for any item in our extensive rental dept. and does not need to be used all at once but do note that it expires 6 months from the date of issue. The amount will be roughly based on a percentage of the item's selling price, so generally speaking the more expensive the item, the bigger the rental coupon!**

**If you decide to take advantage of our new online sales, note that you will automatically get a rental coupon along with your order if placed during the promo period. Should you be ordering from outside of the BC Lower Mainland and feel you won't be able to take advantage of the coupon, then please let us know in the order notes, and we won't bother including one.**
