## Film Department Boxing Day Deals

**Monday December 27th ONLY!**

**Get it while you can!**

Can't come in? Call us or order online!

Rollei offers a great range of black and white films. Some of our favourites include the following:

All Rollei film and  
Ilford film is  
15% off!

Mustafa: Rollei Superpan 200  
Sale: 35mm - \$9.18 120 - \$9.82

"Want some grit in your photos? Superpan in Blazinal/Rodinal will give you enough grain to fix COVID supply chain issues!"

Nicole: Rollei IR 400 - Sale: 35mm - \$10.64 120 - \$12.16  
"Make people glow ghostly when paired with a red filter!"

Meghan: Rollei RPX 400  
Sale: 35mm - \$9.35 120 - \$9.88

"A nice alternative to the usual HP5 and Tri-X everyone seems to rave about!"

Nic: Rollei Retro 400S  
Sale: 35mm - \$9.33 120 - \$10.13

"Why do I like Rollei 400s? Well let me tell you youngins, I like Rollei 400s because of its contrast abilities, its latitude, and its rough but dynamic grain. I find it somewhat comparable to Kodak Tri-X, but cheaper!"

## Some well loved cameras on sale...

### Asahiflex on sale, price drop - \$400

Own a piece of Japanese photographic history with the Asahiflex, one of the first somewhat successful SLRs to hit the market. This one is the last version, the IIa, so it's the best. It has been serviced, and it looks prettier than a Spitfire!

### Pentax Asahi Spotmatic SP 50mm f1.4 (hazy lens) fixer upper - \$75

The SP is the first version of the Spotmatic, and it introduced through the lens metering! Well, this particular one doesn't work because of old age but it's still cool to know. The lens isn't the famed 8-element version, but this is still one of the best standard lenses ever made, so they say. Just needs some cleaning, that's all.

### 2x Olympus 50mm f1.8 (hazy) fixer upper - \$20 each

If you're an Olympus fan, and you want to get started with cheap Olympus glass, this is the way.

### Nikon AF 24-120mm - \$50

One of the most popular lenses for photojournalists back in the day, this guy is so versatile it was apparently nicknamed the "Streetsweeper" (according to Ken Rockwell and Jason)

And a few other treasures not listed here. Come in to the store to find some deals!

For you 4x5 shooters, we have some expired/short dated 4x5 colour film! Here are their expiry dates and prices. This sale extends until the film is gone!

Kodak Portra 400 (10) - \$75.95 exp. 12/21

Kodak Portra 160 (10) - \$46.50 exp. 12/21

Kodak E100 (10) - \$75.95 exp. 01/22
